Directions for Use:

Six eyelids with eyelashes can be stored in the case.

To keep eyelids with eyelashes from falling out, don't tilt with the case lid open.

You can display eyelids with eyelashes by rotating the case lid.

There is a notch at the top of the case. Please hook.

Care and Maintenance:

1. Don't press hard on modules.
2. Don't place heavy objects on modules.
3. Please remove makeup after use.
4. Color doesn't disappear when using oil-based markers.
5. Don't expose to hot water more than 60 °C.
6. If the skin of modules becomes dirty, clean the stain with ethanol.
7. Organic solvents such as thinner, chloroform, acid chemicals, and alkali chemicals cannot be used.

After putting eyelids with eyelashes in the case, please press convex part to lock the lid of the case.
